 Brant Rippon - Brisbane

*"I joined the Australian Monarchist League because I was interested in the human institution which has strengthened our country over centuries, safeguarding our prosperity".*

# Australian Monarchist League

Safeguarding Australia's  
 Constitutional Monarchy

# Our Mission

The Australian Monarchist League is an activist organisation. We are established to uphold Australia's system of constitutional monarchy. As an incorporated association we are the largest member-based monarchist organisation in the country with a team of youthful spokespersons ready to face the media and to oppose any moves towards a republic.

We value the Australian way of life and want to ensure that our relative right to act freely under an impartial Crown continues for our descendants, we oppose any change to the structure of our governance. The Crown's protection has seen us through our entire history and has enabled a democracy the likes of which can hardly be bettered. This is why we believe and act as we do.
